

Dear Judge Gorton,

Thursday, March 15th 2018

I hope that this letter finds you well, and I thank you for taking the time to read it.

I also hope that you will find the enclosed illuminating, as I did prior to the datapon which the events alleged by the government occurred and especially given the claims in the government's recently filed motion in lumike. Please pardon my stray marks on the photocopies from an earlier project involving these documents.

The first labelled 42-1 through 42-2 is self-introductory. The second labelled 3-1 through 3-3 was written by a former psychiatric RN turned whistleblower who had worked at the Beeler S psych ward at Boston Children's Hospital for some years before quitting prior to Justice's arrival.

Sincerely,

Martin Gottesfeld, ID # 71225
